Jesus talking of his Second Coming

- wealth represents our lives, especially our faith
- do we play it safe?
- OR invest what we've been given + serve him?

---

---

---

---

---

---

---

Daniel was given many bags of gold 

Peter, Roger, Jonathon, Gordon likewise 

All of us likewise

THROUGH FAITH MISSIONS

But what about NOW - 2016?

- has God run out of gold?
- is there still work to do?
- or shall we bury our gold in the ground?

---

---

---

---

---

---

---

THROUGH FAITH MISSIONS

How best to invest our gold today?

- do we do mission in the same way as always?
- or differently?
- do modern times call for a fresh approach?

THROUGH FAITH MISSIONS

In 2014, God gave me 2 roles

- develop TFM
- systematic collaboration to reach unreached Britain

Initially separate, now realise 2 jobs in one

Trustees meeting timing interesting!

THROUGH FAITH MESSAGES

30 years on

- bags of gold invested wisely in winning souls
- been faithful in a few things

---

---

---

THROUGH FAITH MESSAGES

But must continue to invest gold wisely

As we do, results can be anticipated!

Exciting times ahead!
